Covid-19 Statistics

Our communities are some of the most isolated from clinical care in the country, with high levels of co-morbidities and socio-economic factors that increase the risk of severe covid, all of which demands an innovative, preventative and dynamic response to Covid-19. Daffodil Day Fundraiser

A HUGE mihi to everyone who came out to support The Cancer Society's Daffodil Day last Thursday!

Together we proudly raised over \$2,000 for [The Cancer Society of New Zealand](#)

Such AWESOME support shown for the kaupapa whānau!

A big thank you to our pakeke for all your support, from all your cakes and baked goods selling out within seconds! All the donated goods for our raffles, and to our table holders East Coast Clothing, Angela's Crocheted goods, and Imogen with Hicks Bay Heritage, thank you!

Also, to all the generous donors whose koha helped achieve the amount raised. Ngā mihi nui ki a koutou katoa. A phenomenal amount, that the Cancer Society will be pleased to receive.

We also had 6 very brave volunteers who shaved their heads for cancer! And 3 who cut their hair in support of the cause! Mīharo Koutou!
